

SUMMARY OF THE PUBLIC PARTICIPATION PROCESS

This section of the report is included in compliance with the Regulations. Public participation is an integral part of the EIA process, and affords potentially interested and potentially affected parties (I&APs) an opportunity to participate in the EIA process, or to comment on any aspect of the development proposals.

Other relevant considerations regarding the public participation process being undertaken for this project are that:

- The public participation process being undertaken for this project complies with the requirements of the Regulations.
- The description of the public participation process included in sections below itemises the steps and actions undertaken.

Adverts were placed in the following newspaper:

- Die Burger – 15 February 2019
- Weskus nuus – 26 February 2019

The notice boards were placed on site from 15 February 2019

The DRAFT Basic Assessment Report **WAS sent** to the following:

1. Cape Nature
2. DEA&DP: Waste Management
3. DEA&DP: Air Quality Management
4. DEA&DP: Pollution & Chemicals Management
5. City of Cape Town: Environmental Management Department
6. City of Cape Town: Municipal Manager, Mayor, Ward Councillor
7. City of Cape Town: Air Quality Management
8. Department of Health
9. DEA&DP Development Management (deciding authority)

Nine (9) notices were sent via registered mail on 15 February 2019 owners and occupiers of land adjacent to the site where the activity is undertaken. The notice requested them to register as Interested and Affective Parties (I&APs) and invited them to provide written comments together with the above reference number, their name, contact details and an indication of any direct business, financial, personal or other interest which they have in the application to the contact person indicated below within 30 days from the date of this notice. The notice also requested the owner to inform all persons residing on the property.

STEPS TAKEN TO NOTIFY POTENTIALLY INTERESTED AND AFFECTED PARTIES

This section of the report is included in compliance with the Regulations.

Potential I&APs were notified about the project by:

1. Fixing a notice board at the boundary of the site in compliance with the Regulations. All relevant and required information was displayed on the notice board. The notice board contained the following minimum information (Size of Board 70 x 50 cm):
 - how to register as an interested and affected party;
 - the manner in which representations on the application may be made;
 - where further information on the application or activity can be obtained; and
 - the contact details of the person(s) to whom representations may be made.The fact that the public participation process had commenced, that a basic assessment process will be followed, the dates within which they can register or send comments and what the proposed activity constituted, was displayed.

Photos of the notice board are included. The notice board was placed on site on 15 February 2019.
2. Giving written notice to owners and occupiers of land adjacent to the site where the activity is to be undertaken, the municipal councillor of the ward within which the site is located, the local municipality and those organs of state having jurisdiction in respect of any aspect of the project as required by the Regulations. Nine (9) notices were sent via registered mail on 15 February 2019 to owners and occupiers of land adjacent to the site where the activity is undertaken.
3. Placing an advertisement in a local newspaper in compliance with the Regulations. An advert was placed in the Die Burger – 15 February 2019 and Weskus nuus – 26 February 2019 notifying the public of the development and inviting them to register as Interested and Affected Parties within 30 days.
4. Lists of Identified and Registered Interested and Affected Parties
This section of the report is included in compliance with the Regulations. This list includes the potential as well as the registered Interested and Affected Parties. The list of parties who were identified as potential I&APs as per the requirements of the Regulations and the list of parties who requested registration as an I&AP, and who are registered on the I&AP database for the project as required in terms of the Regulations were included. A Comments and Response Report from registered I&AP's will be included.
5. Workshop with Key Role players
No workshops were held.
