

## **SUMMARY OF THE PUBLIC PARTICIPATION PROCESS FOLLOWED**

### **Notification to I&APs**

Potential I&AP's are notified about the project in the following manner (this is in compliance with Regulation 41 of GN R982):

- Fixing notice boards at the boundary of the property in compliance with Regulation 41 of GN R982.
- Written notifications are sent via registered post to potential I&APs (i.e. landowner, direct neighbours etc.) inviting them to register and give comments on the proposed development within 30 days from the date which appears on the notice. These notifications are in line with the requirements of the Regulations.
- Placing an advertisement in a local newspaper with the notice in compliance with the Regulations.

### **Public Meetings, Workshops and Pre-application Meetings**

No public meetings, workshops and pre-application meetings have been held thus far. The need for public meetings will be determined during the course of the public participation process as and if requested by I&APs and key departments.

### **Availability of the Draft Basic Assessment Report**

As per the requirements of Regulation 43 of GN R982, the Draft Basic Assessment Report (BAR) will be made available to all relevant state departments and all registered I&APs for a 30 day commenting period.

The Draft BAR will be included for statutory comment with the written notice as sent to the commenting organs of state for a 30 day commenting period. Electronic copies (CDs) will be made available to any department or I&AP on request.

The Draft Basic Assessment Report will be sent to the following Key Departments for consideration/comments:

- Department:Mineral Resources
- Breede-Gouritz Catchment Management Agency (also commenting on behalf of Department of Water and Sanitation)
- CapeNature Scientific Services
- DEA&DP: Development Management
- DEA&DP: Planning
- DEA&DP: Pollution & Chemical Management
- DEA&DP: Waste Management
- Department of Agriculture
- Eden District Municipality
- Heritage Western Cape: A Notice of Intent to Develop was submitted to HWC
- Mossel Bay Municipality
- Department: Rural Development & Land Reform

Proof of delivery and document placement will be included in this appendix in the final BAR.

Comments received will be responded to as per the requirements of regulations. The comments and response report as well as all comments received are attached to the final BAR.

### **Public Participation during the Final BAR Phase**

Once all comments have been received, the BAR will be finalised taking into account the comments and submitted to the competent authority for a decision.

### **Decision and Appeal Period**

Once the DMR have reviewed the Final BAR and are satisfied that it contains sufficient information to make an informed decision, the DMR will use the information contained within the BAR to determine the environmental acceptability of the proponent's preferred options. A decision on the applications and associated reports will be made by the DMR based on the findings of the BAR.

Following the issuing of the decision, all key department and registered I&APS will be notified and afforded the opportunity to appeal the decision to the MEC of the DMR in terms of the NEMA.

Proof of the Public Participation Process conducted/to be conducted is attached to the Final BAR under Appendix C.
