

## **SUMMARY OF THE PUBLIC PARTICIPATION PROCESS**

This section of the report is included in compliance with the Regulations. Public participation is an integral part of the EIA process, and affords potentially interested and potentially affected parties (I&APs) an opportunity to participate in the EIA process, or to comment on any aspect of the development proposals.

Other relevant considerations regarding the public participation process being undertaken for this project are that:

- The public participation process being undertaken for this project complies with the requirements of the Regulations.
- The description of the public participation process included in sections below itemises the steps and actions undertaken.

Adverts were placed in the Swartland Gazette on 3 July 2018

The notice boards were placed on site from 03 July 2018.

The Pre-Application Consultative Basic Assessment Report was sent to the following key Departments:

1. CapeNature
2. DEA&DP: Pollution Management
3. DEA&DP: Waste Management
4. DEA&DP: Development Management
5. Department of Water and Sanitation
6. Heritage Western Cape
7. West Coast District Municipality
8. Swartland Municipality
9. Department of Transport and Public works

Notices must still be sent to identified owners and occupiers of land adjacent to the site where the activity is undertaken. The notice will requested them to register as Interested and Affective Parties (I&APs) and invited them to provide written comments together with the above reference number, their name, contact details and an indication of any direct business, financial, personal or other interest which they have in the application to the contact person indicated below within 30 days from the date of this notice. The notice also requested the owner to inform all persons residing on the property.

## STEPS TAKEN TO NOTIFY POTENTIALLY INTERESTED AND AFFECTED PARTIES

This section of the report is included in compliance with the Regulations.

Potential I&APs will be notified about the project by:

1. Fixing a notice board at the boundary of the site in compliance with the Regulations. All relevant and required information was displayed on the notice board.

The notice board contained the following minimum information (Size of Board 70 x 50 cm):

- how to register as an interested and affected party;
- the manner in which representations on the application may be made;
- where further information on the application or activity can be obtained; and
- the contact details of the person(s) to whom representations may be made.
- The fact that the public participation process had commenced, that a basic assessment process will be followed, the dates within which they can register or send comments and what the proposed activity constituted, was displayed.

Photos of the notice board are included below. The notice board was placed on site on 03 July 2018.

Site notice photo dated 03 July 2018.

Site notice photo dated 03 July 2018.

2. Giving written notice to owners and occupiers of land adjacent to the site where the activity is to be undertaken, the municipal councillor of the ward within which the site is located, the local municipality and those organs of state having jurisdiction in respect of any aspect of the project as required by the Regulations.
3. Placing an advertisement in a local newspaper in compliance with the Regulations.
4. Lists of Identified and Registered Interested and Affected Parties.

This section of the report is included in compliance with the Regulations. This list includes the potential as well as the registered Interested and Affected Parties. The list of parties who were identified as potential I&APs as per the requirements of the Regulations and the list of parties who requested registration as an I&AP, and who are registered on the I&AP database for the project as required in terms of the Regulations were included. A Comments and Response Report from registered I&AP's will be included.

5. Workshop with Key Role players  
No workshops were held.

**DATE: 03 JULY 2018**

# Leerders help die sentrum weer blom

Vyf leerders van Paul Roos Gimnasium in Stellenbosch het by die Dahlia-sentrum in Wesbank kom hand bysit.

Erhardt Degenaar, Jaco Prins, Heinrich Truter, Frantz du Raan en Krige van der Vyver, almal graad 10-leerders, het gewapen met grawe, harte, besems en skoonmaakmiddels die Dahlia-sentrum oorgeknop.

Die sentrum bied slagoffers van huishoudelike geweld nie net skulling en hulp waar nodig nie, maar rus hulle ook toe met vaardighede om hul eie inkomste te verdien.

“Ons probeer almal help wat aan ons deur klop, maar ons kan dit nie alleen doen nie,” sê Cynthia Slingers, Dahlia-sentrumbestuurder.

“Die sentrum is grootliks afhanklik van die gemeenskap se hulp om sy dag tot dag take te verrig. Dus is ons dankbaar vir die leerders van Paul Roos Gimnasium wat ons kom help het,” voeg sy by.

En van die leerders se ma wat hulle na die sentrum voorgesel het, Carmen Degenaar, se seun Erhardt het die Dahlia-sentrum voorgestel as deel van hul klas se gemeenskapsprojek.

“Die leerders moet 10 uur gemeenskapsdiens as deel van ’n skoolprojek doen. Erhardt se suster, Claudia, het hom as kind aan die sentrum voorgestel. Claudia was ambassadeur van die sentrum,” sê sy.

Erhardt is ook nou ’n ambassadeur vir die Dahlia-sentrum en sê: “Ek het hier gesien hoe kinders by hul omstandighede kan aanpas en steeds die beste van hul

Die kinders van Dahlia-sentrum help Erhardt Degenaar en Heinrich Truter om die tuin netjies te maak.

lewe probeer maak.” Hy sê hy het glad nie verwag dat die kinders van die sentrum ook sal inspring om Dahlia-sentrum mooi te maak nie.

“Wat my veral opgeval het, is die kinders se goeie maniere en dat hulle vol grappies is en heeltyd lag. Ek het ook gesien hoeveel talente die kinders het ná ons tyd met hulle deurgebring het. Dit was ’n baie opwindende en lekker dag en het al my verwagtinge oortref. Ek sal graag weer Dahlia toe gaan om tyd saam met my nuwe vriende deur te bring,” sê hy.

Ná die opruimingsessie het die PRG-leerders die kinders met ’n middagete, lekkernye, gesigverf en speletjies bederf.

**TABLE 4: COMMENTS & RESPONSES REPORT FOR REGISTRATION PHASE**

STAKEHOLDER / I&AP	DATE	COMMENT	RESPONSE
Owner: Aloe Cottage, Darling Paul Martin	03/07/2018	Please will you provide full details of the proposed development so that I may provide comments. I would like to be listed as an interested and affected party.	Noted. You have been registered and will receive all information for comment.
Denver Abrahams	03/07/2018	MIDDAG KAN U MY MEER INLIG A.S.B. OF U KAN MY KONTAK OP 0618317227 DANKIE	The proposed project is still in the early phases of the process. Currently all that is required is for you to register your interest in the proposed project. Once information is available for public comment you will be sent an email with a link to all the relevant documentation. Should you wish to register as in interested and affected party please do so by emailing <a href="mailto:admin@ecoimpact.co.za">admin@ecoimpact.co.za</a>
Dr. Gavin Weston	03/07/2018	Have just seen your advertisement in the Swartland Gazette. I have a small “craft “company based in Darling, producing small leathersgoods. Kingman Leathersgoods c.c. was formed in 1990, and has operated continuously since then at Craft markets and supply of small order corporate gifts. I am urgently looking for new premises in which to form the base of manufacturing and a focal point for sales. Please supply as much detail as possible on the possible availability to cover my requirements. Awaiting your reply with great interest.	Noted. You have been registered and will receive all information for comment.

<p>Darling Black Business Forum Ashwin Lewis</p>	<p>03/07/2018</p>		<p>Good morning Mr. Lewis, This email serves to confirm The Darling Black Business Forum's registration as an interested and affected party for the proposed development on Farm 4401, Darling.</p> <p>The registration details are confirmed as follows: Name: Darling Black Business Forum Contact person: Ashwin Lewis Contact number: 072 725 1310 Email: <a href="mailto:ashwinlewis@yahoo.com">ashwinlewis@yahoo.com</a></p> <p>As discussed you will receive a link to the relevant documents once they become available for comment. In the interim please find attached locality map indicating the position of the proposed development.</p>
<p>Ninon Halvorsen</p>	<p>04/07/2018</p>	<p>I would like to express my interest in the At Darling Green Estate Development. My interest is of a business &amp; personal matter.</p>	<p>Noted. You have been registered and will receive all information for comment.</p>
<p>Darling Wild Flower Society Charles Duckitt</p>	<p>04/07/2018</p>	<p>Please register DARLING WILD FLOWER SOCIETY as an interested party. Please send copy of notice and any additional info so that I may circulate it to our committee for comment</p>	<p>Noted. You have been registered and will receive all information for comment.</p>
<p>Cape West Coast Biosphere Karin Otto</p>	<p>04/07/2018</p>	<p>The Cape West Coast Biosphere Reserve (CWCBR), of the UNESCO: Man and Biosphere Program, aims to implement sustainable development principles along the West Coast, in addition to integrating rapid growth with biodiversity and heritage conservation. The CWCBR extends from the Diep River in the south to the</p>	<p>Noted. You have been registered and will receive all information for comment.</p>

		Berg River in the north and inland to Malmesbury and therefore the proposed development is located within the CWCBR. In this regard, the CWCBR would like to register as an I& AP and receive further correspondence and documentation regarding this development.	
Botanical Society of S.A Con Meyer	04/07/2018	Could you please arrange for BOTSOC West Coast Branch to be registered as an interested and affected party with regard to this process.	Noted. You have been registered and will receive all information for comment.
Launce May	05/07/2018	<p>As a resident of Darling and a business owner in Darling it is always interesting to keep up with new developments and the sustainability of these types of projects.</p> <p>It would be great to get information on this project going forward.</p> <p>Parts of this project I don't think are sustainable due to various attempts that I witnessed over the last 20 years in Darling.</p> <p>Existing development after market crashes in 2008 has virtually stagnated in Darling with developers selling off erven in the " Golf Estate " at half of what the initial cost was</p> <p>The annual flower show cannot fill 50 crafters stalls on the flower show weekend so I doubt 100 to 130 are sustainable.</p> <p>Darling does not have massive industry to make it an employment hub and the current fuel prices do not bode well to attract residents that will travel to Killarney Gardens or Atlantis.</p> <p>Don't view my comments as negative but rather in the</p>	Noted. You have been registered and will receive all information for comment.

		light of realistic. Please add me to the information data base.
