

APPENDIX D1 - PUBLIC PARTICIPATION PROCESS (PPP)

STRATEGIC FUEL FUND (SFF): PROPOSED DEVELOPMENT OF AN LPG (LIQUID PETROLEUM GAS) IMPORT FACILITY, PIPELINE AND HANDLING FACILITY IN THE PORT OF SALDANHA

SUMMARY OF PPP AND STEPS TAKEN TO NOTIFY POTENTIALLY INTERESTED AND AFFECTED PARTIES

This section of the report is included in compliance with the EIA Regulations, 2014 of GN R982, as amended.

NOTIFICATION TO I&APS

Potential I&AP's are notified about the project in the following manner (this is in compliance with Regulation 41 of GN R982):

1. Fixing notice boards at the boundary of the property in compliance with Regulation 41 of GN R982.

Site notices were erected on the **06 February 2018**. Notices were placed on either side of the MR 559 as indicated by the map included in the proof.

2. Written notifications are sent via registered post to potential I&APs (i.e. landowner, direct neighbours etc.) inviting them to register and give comments on the proposed development within 30 days from the date which appears on the notice. These notifications are in line with the requirements of the Regulations.

Four (4) notices were sent via registered mail on **09 February 2018** owners and occupiers of land adjacent to the site where the activity is undertaken. The notice requested them to register as Interested and Affective Parties (I&APs) and invited them to provide written comments together with the above reference number, their name, contact details and an indication of any direct business, financial, personal or other interest which they have in the application to the contact person indicated below within 30 days from the date of this notice. The notice also requested the owner to inform all persons residing on the property.

3. Placing an advertisement in a local newspaper the notice is in compliance with the Regulations.

An advertisement was placed in the Weslander on the **08 February 2018**.

All potential I&APs are afforded the opportunity (within a 30 day period) to register for the project. All registered I&APs will be informed of further activities regarding the project.

The **Draft Scoping Report was sent** to all registered I&APs and the following key Departments:

1. CapeNature: Alana Duffell-Canham
2. DEA&DP Development Management: The Director - Zaahir Toefy
3. DEA&DP Facilitation: Ms Adri Le Meyer

AVAILABILITY OF THE DRAFT SCOPING REPORT

As per the requirements of Regulation 43 of GN R982, the Draft Scoping Report will be made available to all relevant key departments and all registered I&APs for a further 30 day commenting period.

The Draft Scoping Report will be included for statutory comment with the written notice as sent to the commenting organs of state for a 30 day commenting period. Electronic copies (CDs) will also be made available to any department or I&AP on request and on our website at www.ecoimpact.co.za. Proof of postage/delivery will be included in the final Scoping Report and draft EIR in **Appendix D2**.

Comments received will be responded to in the final Scoping Report as per the requirements of regulations. And the comments and response report as well as proof of all comments received will be included in the Final Scoping Report. A comments and Responses Report will be included in the final Scoping Report and draft EIR as **Appendix D3**.

APPENDIX D1 - PUBLIC PARTICIPATION PROCESS (PPP)

STRATEGIC FUEL FUND (SFF): PROPOSED DEVELOPMENT OF AN LPG (LIQUID PETROLEUM GAS) IMPORT FACILITY, PIPELINE AND HANDLING FACILITY IN THE PORT OF SALDANHA

PUBLIC PARTICIPATION DURING THE FINAL SCOPING PHASE AND THE EIR PHASE

Registered Interested and Affected Parties and key departments are afforded a 30 day comment period on the Draft Scoping Report. The comments are recorded and the EAP (specialists) respond to the comments and compile the comments and response report as part of the Final Scoping Report where after it is submitted to decision making authority (Department of Environmental Affairs) for acceptance or rejection.

Once the scoping report has been accepted by the DEA the public participation during the EIA phase involves submitting the draft EIR to the registered I&AP's and Key Departments for a 30 day period to comment on the findings of the report. Proof of the Public Participation Process conducted during the EIR phase will be included in the Final EIR. Once all comments have been received, the EIR will be finalised taking into account the comments received and thereafter submitted to the DEA for a final decision. A comments and Responses Report will be included in the draft EIR as **Appendix D3**.

DECISION AND APPEAL PERIOD

Once the DEA have reviewed the Final EIR and are satisfied that it contains sufficient information to make an informed decision, the DEA will use the information contained within the Final EIR to determine the environmental acceptability of the proponent's preferred options. A decision on the applications and associated reports will be made by the DEA based on the findings of the Final EIR.

Following the issuing of the decision, all key department and registered I&APs will be notified and afforded the opportunity to appeal the decision in terms of the NEMA.
